DISCUSSION:

The Humboldt County Department of Health and Human Services (DHHS) has been contracting with the University of California, Davis (UC Davis) for the provision of state and federally mandated training since 1990. The training services provided by UC Davis are directly relevant to the issues faced by DHHS personnel.

The attached professional services agreement will allow DHHS personnel to receive up to 18 days of on-site training at various DHHS locations over the next fiscal year. Two training series are included in

this agreement - one series dedicated to administrative analyst staff, and one series dedicated to supervisory staff within DHHS. It should be noted that the Board must waive the requirements of the Humboldt County Nuclear-Free Ordinance in order to approve the attached professional services agreement, since UC Davis is a part of the University of California system which has administrative responsibility for a facility involved in nuclear research. The attached professional services agreement with UC Davis comes to the Board after the start date thereof due to inadvertent delays that occurred during the contract development process.

Accordingly, DHHS recommends that the Board of Supervisors approve, and authorize the Chair of the Board to execute, the attached professional services agreement with UC Davis regarding the provision of training services to DHHS staff for the period of July 15, 2021 through June 30, 2022. It is also recommended that the Board authorize the DHHS Director, or a designee thereof, to execute any and all subsequent amendments to the attached professional services agreement with UC Davis, after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid any unnecessary delays in the provision of needed training services.

FINANCIAL IMPACT:

The attached professional services agreement with UC Davis has a maximum amount payable of \$71,145 for the period of July 1, 2021 through June 30, 2022. However, in the event local, state or federal funding is reduced or eliminated, the County of Humboldt may reduce the above-referenced maximum amount payable or terminate the attached professional services agreement with UC Davis in its entirety.

Expenditure appropriations related to the attached professional services agreement with UC Davis have been included in the approved fiscal year 2021-2022 budget for DHHS - Social Services budget unit 1160-511. Funding for the attached professional services agreement with UC Davis is available through a combination of state and federal revenues received by DHHS for staff development. As a result, approval of the attached professional services agreement with UC Davis will not impact the Humboldt County General Fund.

STRATEGIC FRAMEWORK:

The recommended actions support the Board of Supervisors' Strategic Framework by creating opportunities for improved safety and health.

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board may choose not to approve the attached professional services agreement with UC Davis regarding the provision of training services to DHHS staff. However, this alternative is not recommended since it will not allow DHHS staff to receive state and federally mandated training.
