DISCUSSION:
Franchise Agreements

Section 521-8(b) of the Humboldt County Code provides that rate changes which occur as a result of annual index-based adjustments, changes in the franchise fee and/or the recycling percentage and changes in disposal and/or processing costs set forth in a solid waste collection franchise agreement may be implemented without action of the Board of Supervisors, if authorized by the franchise agreement, when the total annual rate increase does not exceed 8%. Such rate changes may be implemented by amendment to the franchise agreement executed by the Franchise Contract Administrator. All other rate changes shall be approved by the Board of Supervisors, after the holding of a public hearing.

The increase in the below rates is due to the increase in Cost-of-Living Indices (CPI) for labor 4.0645%, waste collection 9.7212%, and diesel fuel 16.3735% for Recology and 21.4450% for Humboldt Sanitation. Humboldt Waste Management Authority ("HWMA") increase to the disposal fee to haulers.

The rate adjustments for the standard weekly residential 30-gallon pick-up service set forth in the county's solid waste collection franchise agreements are as follows:

- Recology Humboldt County - Blue Lake / Fieldbrook, Unincorporated Arcata Area: Fee adjustment will increase the rate by \$5.60 from \$39.63 per month to \$45.23 per month or 14.13%.
- Recology of Humboldt County - Unincorporated Eureka Area: Fee adjustment will increase the rate by \$6.03 from \$43.06 per month to \$49.09 per month or 14%.
- Recology Eel River - Garberville, Holmes, Fortuna, Ferndale, Weott/Mvers Flat: Fee adjustment will increase the rate by \$4.69 from \$35.55 per month to \$40.24 per month or 13.19%.
- Humboldt Sanitation Company, Inc. - Northwestern Area of Humboldt County: Fee adjustment will increase the rate by \$3.45 from \$31.30 per month to \$34.75 per month or 11.02%.

HWMA is currently under contract with the county to handle the submittal of data pertaining to the disposal and handling of solid waste and recyclable materials to the California Department of Resources Recycling and Recovery ("CalRecycle"). HWMA is increasing its current disposal fee to \$170.41 per ton an increase of \$1.00.

Transfer Station & Solid Waste Container Sites

The reimbursement rates for the Redway Transfer Station and the solid waste container sites located in Humboldt County are calculated each year by adding the annual index-based adjustments, as set forth in the county’s solid waste container site agreements, plus any changes in the operators’ disposal, processing and operation costs. - Recology Eel River - Southern Solid Waste Container Sites: Reimbursement rate adjustment will result in an increase of \$1,494.67 or 11.64% per month from the prior year’s reimbursement of \$12,842.89.
- Humboldt Sanitation Company, Inc. - Northern Solid Waste Container Sites: Reimbursement rate adjustment will result in an increase of \$5,282.24 or 20.79% per month from the prior year’s reimbursement of \$25,413.00.
