DISCUSSION:

On Dec. 17, 2021, the California Interagency Council on Homelessness announced the availability of \$1 billion in noncompetitive block grant funds for the third round of the Homeless Housing, Assistance and Prevention (HHAP) Program. HHAP Program recipients are required to expend these funds on evidence-based solutions that address and prevent homelessness among eligible populations, including any of the following:

- Rapid rehousing, including rental subsidies and incentives to landlords, such as security deposits and holding fees.
- Operating subsidies in new and existing affordable or supportive housing units, emergency shelters and navigation centers.
- Street outreach to assist persons experiencing homelessness to access permanent housing and services.
- Services coordination, which may include access to workforce, education, and training programs, or other services needed to promote housing stability in supportive housing.
- Systems support for activities necessary to create regional partnerships and maintain a homeless services and housing delivery system.
- Delivery of permanent housing and innovative housing solutions, such as hotel and motel conversions.
- Prevention and shelter diversion to permanent housing, including rental subsidies.
- Interim sheltering, limited to newly developed clinically enhanced congregate shelters, new or existing non-congregate shelters, and operations of existing navigation centers and shelters.
- Improvements to existing emergency shelters to lower barriers and increase privacy.

Pursuant to the HHAP Program allocation formula, which is based on the proportionate share of the state's total homeless population as reflected by a point-in-time count of people experiencing homelessness, California Interagency Council on Homelessness allocated \$2,547,368 to the Humboldt Housing and Homeless Coalition and \$2,377,544 to the County of Humboldt. The Humboldt Housing and Homeless Coalition authorized the County of Humboldt to file a joint application for HHAP Round Three funding on its behalf for a combined allocation of \$4,924,913 in HHAP Program funding.

On Dec. 23, 2021, the California Interagency Council on Homelessness announced that the County of Humboldt had been awarded an initial disbursement in the amount of \$1,231,228 in HHAP Program funding. On May 3, 2022, the Humboldt County Board of Supervisors approved, and ratified the Humboldt County Department of Health and Human Services (DHHS) Director's execution of, the initial disbursement State Standard Agreement with the California Interagency Council on Homelessness, and authorized the DHHS Director, or a designee thereof, to execute any and all subsequent amendments and any other agreements, certifications and documents required or deemed necessary for DHHS to accept and secure funding made available through Round Three of the HHAP Program, after review and approval by County Counsel, Risk Management and the County Administrative Office.

On June 14, 2022, the Board received a presentation by DHHS and the California Center for Rural Policy on the HHAP Local Action Plan. DHHS submitted the HHAP Local Action Plan and the application for funding to the California Interagency Council on Homelessness on June 24, 2022. On Nov. 21, 2022, the California Interagency Council on Homelessness notified DHHS that the County of Humboldt had been awarded an HHAP Round Three Remainder Disbursement in the amount of \$3,693,685, bringing the total amount awarded under Round Three of the HHAP Program to \$4,924,913.

On Oct. 21, 2022, DHHS issued a Request for Proposals (RFP) which solicited proposals from qualified community organizations interested in working collaboratively with the County of Humboldt to implement various eligible projects that would be funded by the third round of HHAP Program funding. DHHS received proposals from six entities in response to the above-referenced RFP, which contained funding requests totaling \$13,781,543. After reviewing and evaluating each proposal in accordance with the applicable evaluation and selection criteria, the RFP evaluation committee determined four projects should receive HHAP Program funding. Your Board subsequently approved funding allocations recommended by the RFP Evaluation Committee for the above-referenced projects, which included the project proposed by Arcata House Partnership on Feb. 7, 2023.

It should be noted that the attached professional services agreement with Arcata House Partnership comes to your Board after the start date thereof due to inadvertent delays that occurred during the contract development process.
