The applicant requests a Coastal Development Permit and Conditional Use Permit for siting a temporary portable asphalt plant on property owned by Green Diamond Company near Big Lagoon in support of a regionally important Caltrans construction project on Highway 101. The proposed location is industrially zoned and has historically been used for heavy industrial activities, including a lumber mill site. The asphalt plant and ancillary equipment includes storage bins, storage piles, and will involve support vehicles such as a loader, water truck, and material transport haul trucks. A one year permit is requested from March 2017 to March 2018 to facilitate completion of the Caltrans paving project within the construction schedule.
