Title: Don Scarlett Accessory Structure Special Permit
Case Numbers SP-16-074
Assessor Parcel Number (APN) 077-073-005-000
Redway Area

The project is for a Special Permit to remove one redwood tree from the subject parcel in order to construct a detached garage. The parcel is developed with an approximately 2,280 square foot single family residence and attached garage. The tree proposed for removal is located within the footprint of the proposed 1,500 square foot detached garage. Humboldt County Ordinance 2112 limits the cutting of any redwood tree greater than twelve inches in diameter at breast height unless a Special Permit is secured. The redwood to be removed is 22 to 24 inches in diameter and 80 feet in height. There are no alternative locations on the property to site the detached garage that would result in no tree removal. Woody debris less than 4 inches will be chipped and hauled away by the timber operator. The larger chunks of wood will be cut into random lengths and left on the parcel. The parcel is served public water and sewer services by Redway Community Services District.
