Myrtletown area

This project proposes to rezone four adjacent parcels in the Myrtletown area, northeast of the City of Eureka, just inside the Coastal Zone boundary, in order to accommodate a multi-family housing development called the Garden Apartments. The project involves: (1) a General Plan Amendment to change the designation of approximately 2.2 acres from CG (Commercial General) to RM (Residential Medium Density) with a density range of eight to thirty dwelling units per acre; (2) a rezone of said lands from CG (Commercial General) to RM (Residential Multifamily); (3) a Coastal Development Permit to construct the proposed 66 multifamily units and (4) a merger of the four properties together. The project is served by a paved County Road (Hubbard Lane), and public water and wastewater systems.
