DISCUSSION:

This item involves adoption of an amendment to the County's Zoning Ordinance (Section 312-1.3.3 of Humboldt County Code) to achieve parity with the per-diem rate for Planning Commissioners when the rate was initiated in 1976. The Board held a public hearing on the first reading of the Ordinance on August 28, 2018. One person commented on the item at that hearing and the Board set the item for adoption at the meeting on September 11, 2018. While this item does not require a public hearing for adoption, it was noticed for a public hearing and staff recommends that the Board hold a public hearing to receive any additional public comments before adopting the ordinance.

FINANCIAL IMPACT:

Adoption of this ordinance is estimated to cost the general fund \$13,820 additional dollars (\$17,600 total).

The proposed ordinance amendment is consistent with the Board's 2018 Strategic Framework because it safeguards the public trust by managing the county's resources to ensure sustainability of services.

OTHER AGENCY INVOLVEMENT:

No other agencies have been involved in developing this ordinance amendment.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Board discretion.
