All county funds

DISCUSSION:

Each year, Humboldt County departments review and recommend state and federal legislation that would improve and enhance county financing, operation, and efficiency in service delivery. The county contracts with Shaw/Yoder/Antwih, Inc. (SYA) to provide state legislative advocacy on behalf of the county and to advise departments on legislative proposals. On Sept. 25, Paul Yoder and Karen Lange of SYA spoke to your Board regarding the county's legislative advocacy efforts during the 2018 session of the California Legislature. Mr. Yoder and Ms. Lange also met with a number of department heads regarding particular state issues on Sept. 24 and 25.

The county contracts with Paragon Government Relations for federal legislative advocacy services and to advise departments on legislative proposals. Joe Krahn and Hasan Sarsour of Paragon have reviewed submissions made by department heads for inclusion into the 2019 Legislative Platform.

The platforms being presented to your Board today are the result of two months of collaborative work between departments, the County Administrative Office, SYA, and Paragon Government Relations. The platforms take into consideration your Board's Strategic Priority Framework. In particular, platforms address engagement on issues of statewide concern. These platforms are being submitted to your Board for review and modification as your Board finds appropriate.

Recommended Actions:

In order to most effectively approach advocacy services staff is seeking direction on identification of the primary legislative priorities based on relative importance to the Board and in consideration of the state and federal agendas. Identifying a primary list of state and federal priorities would allow the county, SYA, and Paragon to work more effectively with state legislators and members of Congress, as well as applicable agencies and would ensure that the county's effectiveness is not diluted. Below your Board will find current year priorities along with recommendations for 2019 priorities. The priorities with a ~~strike through~~ are recommended to be removed from the priority list.

State Priorities

- Cannabis - retaining local control, and receiving revenue from taxes, growing limits

Previously, staff recommended that the County Administrative Officer, on behalf of the Board, be authorized to submit letters to state and federal representatives as needed to support the county's legislative platform, in an attempt to quicken the response time to legislative changes. This recommendation is before your Board again.

Once the Board's modifications, if any, are incorporated, the County Administrative Office will finalize the 2019 state and federal legislative platforms and transmit them to state legislative and federal congressional delegations, and the county's legislative advocates.

FINANCIAL IMPACT:

There is no financial impact directly associated with today's recommendations. However, many of the proposed legislative actions have potential financial benefits for the county.

This item supports the Board's strategic framework to be an effective and influential voice for our community at the regional, state and federal levels by advancing local interests in natural resource discussions, and engaging in discussion of our regional economic future.
