### SUBJECT:

Extension of Extra-Help Hours- Roads-Right of Way (322) (4/5 Vote Required)

### RECOMMENDATION(S):

That the Board of Supervisors:

1. Extend Cailan Halliday extra-help employment hours 960 hours to a maximum of 1,920 hours for Fiscal Year 2018-2019 pursuant to Section 7 of the Humboldt County Salary Resolution (4/5 vote required).

### SOURCE OF FUNDING:

Roads-Right of Way (1200322)

### DISCUSSION:

Cailan Halliday has been working as an extra-help employee during the current fiscal year. As of Feb. 11, 2019, Mr. Halliday has worked a total of 715 hours. Roads-Right of Way is requesting an extension of hours for the remainder of this fiscal year. Extra help is needed to handle the day-to-day operations of the Roads-Right of Way Division. The extension of the extra help hours is necessary to maintain the level of service and manage the workload during the remainder of the fiscal year.

### FINANCIAL IMPACT:

Estimated maximum salary and benefit costs for the requested extension extra-help is \$22,080. There

is a sufficient allocation in the Extra Help expenditure line, budgeted in Roads-Right of Way (1200322), to accommodate the increase in hours. Funding may also be pulled from the Services and Supplies expenditure line to cover any overages. There will be no impact to the General Fund.

All extra help employees working beyond the 960 hours are subject to paying into the California Public Employee Retirement System (PERS). The additional costs for PERS have been included in the above-mentioned estimated salary cost.

Beginning January 2015, the Affordable Care Act (ACA) required large employers with fifty (50) or more full-time employees to offer health coverage to all full-time employees. A full-time employee is defined as a person who is employed for an average of thirty or more hours per week. The Public Works Department is aware of these 2015 federal provisions that impact extra-help employment and is also aware of the county standard measurement period of employee hours will occur over the course of a fifty-two (52) week period. These employees will not fall under the guidelines of the requirement to provide health insurance.

STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework by providing community-appropriate levels of service and to ensure sustainability of those services.

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could deny this request for additional extra-help hours however, this is not recommended due to the workload of the division.
