The increase from fiscal year 2020-2021 to fiscal year 2021-2022 is impacted by the California state minimum wage increase to \$15 per hour. Pursuant to the Human Services Omnibus trailer bill, Senate Bill 80, which was signed by the Governor this year and supported by the California State Association of Counties, on Jan. 1, 2022 when California minimum wage gets to \$15 per hour the bill requires the state to pay 35% and the county to pay 65% of the non-federal share of locally negotiated increases.

The labor increases and MOE are paid for by 1991 State Realignment funding, and funded out of Department of Health & Humans Services budget unit 1160-511 - Social Services Administration. While this action may reduce funding and service levels in other areas of Social Services, it will have no impact on the General Fund.

OTHER AGENCY INVOLVEMENT:

Humboldt County Department of Health and Human Services (DHHS), the California Department of Social Services (CDSS), the California Department of Health Care Services (DHCS), and the California Department of Finance (CDOF).

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The County of Humboldt IHSS Public Authority could choose to not adopt the Memorandum of Understanding between the County of Humboldt IHSS Public Authority and SEIU Local 2015 for persons in the In-Home Support Services Public Authority; however, this is not recommended.
