### DISCUSSION:

Humboldt County is a member of Rural County Representatives of California (RCRC) and its affiliate Golden State Finance Authority (GSFA). Member counties are being asked to review and approve proposed amendments to the Joint Powers Agreement and adopt a Resolution before October 18, 2019.

The GSFA Board of Directors memo explaining the purpose for the proposed revisions is attached for reference. As indicated in the memo, the primary specific revisions to the agreement are as follows:

- Expressly authorizing GSFA to establish and operate programs and projects to promote public safety, economic development, and environmental protection, including without limitation forest resiliency, wildfire risk reduction, air quality improvement, and waste diversion and reuse.
- Clarifying that GSFA may finance the preservation of real property and infrastructure.
- Incorporating recent amendments to the Property-Assessed Clean Energy (PACE) statutes expanding the types of improvements that may be financed through that program.
- Expressly authorizing GSFA to issue Industrial Development Bonds for qualifying projects.
- Specifically referencing GSFA's ability to create nonprofit corporations.
- Other technical amendments to revise obsolete language or conform to current practice.

FINANCIAL IMPACT:

There is no financial impact associated with the approval of the proposed amendments other than the staff time required to prepare the staff report. Staff salaries have been included in the fiscal year 2019-20 adopted budget.
