Title: King's Peak, Special Permits
Application Number: 11298
Case Number: SP16-195
Assessor's Parcel Numbers: 221-201-026 and 221-211-016
5015 Ettersburg-Honeydew Road, Ettersberg area

Project Description: A Special Permit for the continued operation of an existing 8,600 square-foot cannabis cultivation site using mixed light in existing greenhouses. The project includes existing ancillary structures used for nursery operations, for drying, and for storage. The water source is a point of diversion from an unnamed Class II stream. The applicant anticipates 3 cultivation cycles per year and estimates that they will use 92,500 gallons of water annually. There is 98,500 gallons of hard tank storage on the site. The power source is PG&E. A maximum of two employees will work on the parcel. Drying will occur on site. Processing will occur off site at a licensed third-party facility. The project includes a Special Permit for development within the Streamside Management Area to allow for continued use of a point of diversion.
