### DISCUSSION:

On April 6, 2020, your Board discussed potential action regarding eviction protections during the COVID-19 emergency. At the direction of your Board the Office of County Counsel brought a

proposed ordinance back for discussion and potential adoption on April 28th. While that ordinance was adopted, the Board also requested that an amended ordinance be brought back with a focus on four key policy issues: 1) Inclusion of “no-fault” evictions, 2) a provision prohibiting late fees, 3) a 180 day effective date, and 4) detailed requirements on submission of documentation by the tenant to the landlord to qualify for protection.

The proposed urgency ordinance (Attachment A) addresses and implements these four policy directives that were discussed on April 28. Additional key terms include a requirement that landlords provide notice to tenants of the provisions of this ordinance and alerts tenants that failure to make a delayed payment within the 180 day payback period is a default. Adoption of the ordinance will also repeal Ordinance No. 2641, adopted on April 28.

STRATEGIC FRAMEWORK: This action supports your Board’s Strategic Framework by protecting vulnerable populations.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could choose to not adopt the proposed emergency ordinance, provide alternative direction to staff, or leave Ordinance No. 2641 in place.
