

COUNTY OF HUMBOLDT

Legislation Details

File #: 20-1125 **Version:** 1 **Name:**
Type: Zoning Item **Status:** Continued
File created: 8/28/2020 **In control:** Planning and Building
On agenda: 9/3/2020 **Final action:**
Title: Thresholds of Significance for Vehicle Miles Traveled (VMT) to evaluate environmental impacts of projects
Case Number: PLN-2020-16529
Countywide

Project Description: To comply with new California Environmental Quality Act (CEQA) requirements, the County is adopting thresholds of significance for vehicle miles traveled (VMT) to evaluate environmental impacts of projects. "Vehicle miles traveled" refers to the amount and distance of automobile travel attributable to a project. The proposed thresholds of significance are based on the type of project, and/or location, and projects that meet these criteria are expected to result in less-than significant VMT impacts.
