### DISCUSSION:

On Sept. 5, 2019 the Planning Commission approved Goselin Subdivision, to create six (6) lots ranging in size from five (5) acres to seven (7) acres.

Pursuant to Government Code Section 66458(a), the subdividers, Louis H. Goselin and Wanda J. Goselin, request that the Board of Supervisors approve the subdivision as complete and accept the subdivision map for filing with the County Recorder.

The applicant has requested the Planning and Building Department defer payment of parkland fees for the development of secondary dwelling units on Lots 1 through 6, inclusive. In order to approve the request, the Planning and Building Department requires the dedication of development rights for secondary dwelling units until such time as the deferred fees are paid. The applicant has executed a Conveyance and Agreement for this purpose (Attachment 2).

The Planning Division of the Planning and Building Department has provided notice that all of the conditions of tentative map approval, other than those required by the Department of Public Works, have been satisfied.

The Land Use Division of the Department of Public Works has inspected and approved all subdivision improvements.

The Land Use Division and the Planning Division have determined that the subdividers have met all conditions of subdivision approval within the required time limits.

The Humboldt County Tax Collector or his designee has signed the map indicating that all taxes have been paid or secured to his satisfaction.

Staff request the Board take the recommended actions.

#### FINANCIAL IMPACT:

Tompkins Hill Road (Road No. 3H050) is an existing county-maintained road. Loma Vista Drive is a non-county-maintained road.

The applicant has placed a deposit for the subdivision with the Land Use Division. Staff time is charged against the deposit. As a result, there is no impact to the General Fund.

#### STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework by providing for and maintaining infrastructure.

#### OTHER AGENCY INVOLVEMENT:

None.

#### ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board may determine that the map does not conform to all the requirements of the Subdivision Map Act and any local subdivision ordinance applicable at the time of approval or conditional approval of the tentative map and any rulings made thereunder. By doing so the Board shall disapprove the map in accordance with Government Code Section 66458(a). This action is not recommended.
