SUBJECT:

Accept a Donation to Support the Humboldt County Sheriff's Office Search and Rescue Team and Supplemental Budget (4/5 vote required)

RECOMMENDATION(S):

That the Board of Supervisors:

1. Accept a donation in the amount of \$20,000.00 from The Carol Davis Family to support the Humboldt County Sheriff's Office Search and Rescue Team; and
2. Approve the attached supplemental budget (Attachment 1) to receive the donation in budget unit 1100-221530 Search and Rescue to purchase equipment to support the Search and Rescue efforts by the Posse and Sheriff Deputies (4/5 vote required).

SOURCE OF FUNDING:

The Carol Davis Family

DISCUSSION:

The Carol Davis Family has donated \$20,000.00 in memory of their mother Carol Davis. In April 1990, Ms. Davis was involved in a small airplane accident in the mountainous region of Humboldt County. The Humboldt County Search and Rescue Team (SAR) made up of Sheriff Deputies and

community volunteers, was instrumental in locating and rescuing survivors of this accident. Ms. Davis and her family have been grateful to the SAR Team all these years and have provided support in the past. Ms. Davis requested in her will to provide this additional support to the SAR Team.

The Humboldt County Sheriff's Office offers their condolences to The Carol Davis Family for the passing of their mother, Carol Davis, and appreciation for this generous donation to help SAR acquire needed equipment to help support their efforts to protect Humboldt County residents.

FINANCIAL IMPACT:

A supplemental budget is requested to SAR budget unit 1100-221530 to receive the \$20,000.00 donation to purchase equipment to aid in search and rescue efforts. There is no additional impact to the general fund.

STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework by creating opportunities for improved safety and health.

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board of Supervisors may choose not to accept the donation and approve the supplemental budget, however, that is not recommended as it would negatively impact the amount of funds dedicated to search and rescue efforts by the Sheriff's Office.
