

# COUNTY OF HUMBOLDT

## Legislation Details (With Text)

**File #:** 21-970      **Version:** 1      **Name:**  
**Type:** Zoning Item      **Status:** Continued  
**File created:** 7/9/2021      **In control:** Planning and Building  
**On agenda:** 7/15/2021      **Final action:**  
**Title:** Eco Green Grow, LLC  
Record Number PLN-11582-CUP  
Assessor's Parcel Number: 523-015-009.  
Willow Creek Area

Eco Green Grow, LLC seeks a Conditional Use Permit for 43,560 ft<sup>2</sup> of pre-existing outdoor and 3,600 ft<sup>2</sup> of pre-existing mixed-light commercial cannabis cultivation, and 4,716 ft<sup>2</sup> for ancillary propagation space. Irrigation water will be sourced from a permitted well on-site. Total annual water demand for the project is 302,910 gallons per year (7.58 gal/ft<sup>2</sup>/yr), and there is a total of 26,100 gallons of existing water storage on-site. Bucking and drying will occur within the existing building. Harvested product will be stored within a freezer and will be collected by a licensed third-party for off-site manufacturing. Power is sourced by four generators on-site, and the applicant plans to move towards solar within three years from the date of approval.
