DISCUSSION:

The Humboldt County Sheriff's Office (HCSO) leadership has taken the opportunity to re-evaluate the

best use of personnel resources for the HCSO Business Division due to the recent vacancy of the Senior Administrative Analyst. Given the increased documentation requirements from the Auditor-Controller's Office, leadership has decided it would be best to eliminate one of the management level positions and replace them with two staff positions.

Due to the increased responsibilities of collapsing the duties of two management positions into one, HCSO is recommending the deallocation of the Senior Administrative Analyst and Administrative Services Officer and replace them with one Business Manager. The additional two staff positions recommended are an Accounting Technician and Fiscal Assistant.

HCSO continuously strives to improve the services of their operations and believe the reorganization of these positions to be in the best interest of the public.

FINANCIAL IMPACT:

Annual salary and benefits for a 1.0 Fiscal Assistant I, step 1A is \$52,218.87. Annual salary and benefits for a 1.0 Accounting Technician, step 1A is \$66,150.54. Annual salary and benefits for a 1.0 FTE Administrative Services Officer, step 1A is \$91,340.14. Annual salary and benefits for a 1.0 FTE Business Manager, step 1A is \$98,973.54. Annual salary and benefits for a 1.0 FTE Senior Administrative Analyst is \$105,489.06.

For budget unit 1100-221 Sheriff Operations the deallocation of the 2.0 management positions and allocation of 1.0 management position and 2.0 staff is a net annual increase of \$20,513.75. It is anticipated that the positions would not be filled until Jan. 1, 2022 resulting in a net increase for fiscal year (FY) 2021-22 of \$10,256.87.

Sheriff Operations budget unit 1100-221 is experiencing staffing shortages and anticipates sufficient salary savings to cover the increases for FY2021-22. There is no additional general fund allocation requested for these changes.
