The Humboldt County Planning Commission will consider updates to the inland and coastal zoning codes and the General Plan and Local Coastal Program to conform to state housing law changes regarding emergency shelters codified in Government Code 65582 and 65583. By statute, cities and counties must designate at least one zone where emergency shelters are allowed by right, and may specify limited, objective standards for their development and operation. This item amends the existing Emergency Shelter code, adds Day Shelters and Low Barrier Navigation Centers to the inland ordinance; and adds for the first time a definition and use types for emergency shelters in the Coastal Zone.
