DISCUSSION:

Humboldt County DHHS - CWS has contracted with a non-profit corporation, Evident Change, for the development of a web-based Child Protection Reporting Guide (CPRG). The CPRG is intended to serve as a web-based guide that community members and professionals can use in determining whether concerns they may have about a child should be reported to Child Welfare Services. The intended goals of the web-based CPRG are to:

- Assist reporters as they gain familiarity with child abuse and neglect reporting threshold.
- Help ensure that children and families requiring a child protection response are promptly reported.
- Provide links to information about alternative options for reporters to assist children and families who do not meet the statutory child protection reporting thresholds.

The data sharing agreement presented to your Board for consideration would allow Humboldt County DHHS - CWS to carry out ongoing evaluation and CQI activities related to the CPRG.

FINANCIAL IMPACT:

There are no costs for the county associated with this agreement. There is no impact on the General Fund.

STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework by creating opportunities for improved safety and health outcomes and protecting vulnerable populations.

OTHER AGENCY INVOLVEMENT:

N/A

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could choose not to approve the attached Agreement; however, this alternative is not recommended since these services are needed to carry out ongoing evaluation and CQI activities related to the CPRG.
