DISCUSSION:

On October 16, 2017, the County of Humboldt entered into a consultant services agreement with The KPA Group to design ADA improvements at AW Way County Park. The Consent Decree requires the county to perform ADA barrier modifications as follows: providing one (1) accessible parking stall at the entry sign and fee station; providing two (2) accessible paved campsites with one (1) accessible parking stall at each campsite; replacing existing water spigot at entry sign with accessible drinking fountain; providing accessible paths of travel between (new) campsites, toilet rooms, (new) drinking fountain, and the fee/entry station.

On January 8, 2019, Your Board authorized the Consent Decree Barrier Removal Project at A.W. Way Park to be advertised for public bid. On February 13, 2019, the county received and opened Three (3) responsive bids and the results are as follows:

Contractor:

Base Bid:

M3 Integrated Services. - Santa Rosa, California

\$215,000

Wendt Construction, Inc. - Fortuna, California

\$157,708

Dunton Construction - Anderson, California

\$243,900

The general conditions set forth in the project specifications manual require that the project be awarded on the merits of the lowest qualified, responsible and responsive base bid. Staff recommends that your Board award this project to Wendt Construction, Inc. - Eureka, California for the total base bid award amount of \$157,708.

FINANCIAL IMPACT:

The current project expenses for accessibility upgrades at A.W. Way Park combined with the Wendt Construction, Inc. base bid amount of \$157,708, establishes a revised estimated total project cost of \$209,687. The ADA Compliance budget (3552-152) budgeted \$100,000 for this project in the current fiscal and has cost savings from other projects. The ADA Compliance budget has sufficient funds to cover the increased costs.

STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework by fostering transparent, accessible, welcoming and user friendly services and enforces laws and regulations to protect residents.

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Your Board could choose not to approve the recommendations to award the project however, this is not recommended as the county may be subject to fines for non-compliance, A.W. Way Park is a facility identified by the DOJ with ADA barriers that must be removed prior to the termination of the consent decree.
