DISCUSSION:
Each year, Humboldt County departments review and recommend state and federal legislation that would improve and enhance county financing, operation, and efficiency in service delivery. The county contracts with Shaw/Yoder/Antwih/Schmelzer/Lange. (SYASL) to provide state legislative advocacy on behalf of the county and to advise departments on legislative proposals. On Sept. 17, Paul Yoder

and Karen Lange of SYASL spoke to your Board regarding the county's legislative advocacy efforts during the 2019 session of the California Legislature. Mr. Yoder and Ms. Lange also met with a number of department heads regarding particular state issues on Sept. 16.

The county contracts with Paragon Government Relations for federal legislative advocacy services and to advise departments on legislative proposals. Joe Krahn and Hasan Sarsour of Paragon have reviewed submissions made by department heads and some members of your Board for inclusion into the federal portion of the 2020 Legislative Platform. SYASL reviewed the state submissions.

This year, some individual members of your Board submitted items for the Board's consideration.

Supervisor Madrone recommended the following item:

- Funding for newly formed cities (page 18)

Supervisor Wilson recommended the following items:

- Expanding sea level rise item beyond only agricultural considerations (page 5)
- Broaden Richardson Grove item to include access for all trucks (page 7)
- Allow flexibility to rural counties to partner with urban areas to meet Regional Housing Needs Allocations (page 10)
- Continue safety practices for expressway between Arcata and Eureka until improvements are made (page 13)
- Creating a new section for Climate Adaptation (page 16, page 30)

The platforms being presented to your Board today are the result of 3 months of collaborative work between departments, the County Administrative Office, SYASL, and Paragon. The platforms take into consideration your Board's Strategic Priority Framework. In particular, platforms address engagement on issues of statewide concern. These platforms are being submitted to your Board for review and modification as your Board finds appropriate.

Recommended Actions:

In order to most effectively approach advocacy services staff is seeking direction on identification of the primary legislative priorities based on relative importance to the Board and in consideration of the state and federal agendas. Identifying a primary list of state and federal priorities would allow the county, SYASL, and Paragon to work more effectively with state legislators and members of Congress, as well as applicable agencies and would ensure that the county's effectiveness is not diluted. Below your Board will find current year priorities along with recommendations for 2020 priorities:

State Priorities

- Rural broadband and net neutrality
- Climate adaptation, renewable energy
- Regional Housing Needs Allocation (RHNA) integration

Previously, staff recommended that the County Administrative Officer (CAO), on behalf of the Board, be authorized to advocate as needed to support the county's legislative platform, in an attempt to quicken the response time to legislative changes. This recommendation is before your Board again. In addition, staff is recommending that the CAO be authorized to advocate for issues that are adopted by your Board via resolution.

Once the Board's modifications, if any, are incorporated, the County Administrative Office will finalize the 2020 state and federal legislative platforms and transmit them to state legislative and federal congressional delegations, and the county's legislative advocates.
