Kyle Christenson Zoning Clearance Certificate, Appeal of Inspection Determination
Record Number PLN-12525 ZCC
Assessor's Parcel Number: 221-141-020
Salmon Creek area

This is an approved Zoning Clearance Certificate. The annual compliance inspection determined that the site is currently operating without the required state license. This is an appeal of the finding that the site is not in compliance due to the lack of a state license.

Find that the site is not in compliance with County Code and the terms of the approved Zoning Clearance Certificate because the site is commercially cultivating cannabis without a state license, deny the appeal, and expire the Zoning Clearance Certificate.
