DISCUSSION:

Background

On July 15, 2003, your Board approved the Headwaters Grant Fund Manual (revised Nov. 15, 2019) that details the process for awarding Competitive Awards as follows:

- The HFB will recommend a slate of grants to be funded for Board of Supervisor approval. HFB decisions on grants cannot be appealed by applicants [Grant Fund Manual section 11.b.iii].
- The Humboldt County Board of Supervisors will use a majority vote to approve the entire slate presented by the HFB. The Board may not add projects to the slate being approved but may recommend additional review of individual projects. Upon majority vote, the Board may pull one or more projects from the slate and approve the remaining slate of projects. The process for reviewing and bringing back pulled projects is defined further in the Grant Fund Manual.
- The HFB and staff conducted a financial analysis of the Grant Fund to determine an allocation for the 2021-22 fiscal year. The HFB determined that \$150,000 would be an appropriate amount for the 2021-22 Grant Fund allocation. The HFB set a grant round deadline for the 2021-22 fiscal year for August 2021. On Sept. 28, 2021, the HFB voted to recommend to your Board a slate of awards totaling

\$150,000.

Review Process

The HFB's application review process consisted of individual HFB board member review plus approximately five hours of group presentations, questions/answers and deliberation. The HFB held meetings Sept. 3, 10, 14 and 28 of this year, which included discussions on this grant round and the docket. The individual HFB member proposal ranking score sheets for selection of recommended awards is attached as Attachment 12- Compiled and Summarized Scores. The process was refined earlier this year resulting in a reduction of time spent by staff and the board.

Applications were reviewed as follows:

- Staff assisted each applicant as they prepared their applications.
- Staff reviewed and prepared all eleven (11) applications received in a timely manner and distributed as a single packet on Sept. 3, 2021, to the HFB members as instructed.
- Board members reviewed the applications in preparation for a Sept. 14, 2021, HFB meeting.
- All 11 applicants presented their projects in a short (5 minute) presentation.
- The HFB voted to approve or deny the applications for final discussion and selection at the Sept. 28, 2021, Special Board Meeting.

Eleven qualified applicants were presented to the HFB on Sept. 14, 2021, for this July -August 2021 grant round. The HFB moved nine applicants forwarded for further review and grant scoring, of which four have been recommended for an award.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Your Board could decide not to approve the slate of recommended awards. Your Board may pull one or more projects from the slate and approve the remaining slate of projects or request for further review of one or more projects. These alternatives are not recommended as the HFB diligently reviewed and evaluated each proposal in accordance with the slated Headwaters funding priorities. The slate of recommended awards will support base industries in Humboldt County, providing economic and expanded health services at no cost to the county.
