As part of the above-referenced agreement, HTA has been operating buses on a regular schedule Monday through Friday, a reduced schedule on Saturday and a reduced seasonal schedule on Sunday from July through October.

The current agreement with HTA regarding the operation of a bus transit system in the Willow Creek area of Humboldt County covers the inter-city bus route between Arcata and Willow Creek. As part of the above-referenced agreement, HTA has been operating buses on a regular schedule Monday through Friday and a reduced schedule on Saturday.

The attached agreements with HTA will allow for the continued operation of the Southern Humboldt and Willow Creek Bus Transit Systems for the period of July 1, 2021 through June 30, 2024. It should be noted that the attached agreements with HTA come to the Board after the start date thereof due to scheduling issues brought about by the COVID-19 pandemic.

Accordingly, the Department of Public Works recommends that the Board approve, and authorize the Chair of the Board to execute, the attached agreements with HTA regarding the administration, management and operation of the Southern Humboldt and Willow Creek Bus Transit Systems for the period of July 1, 2021 through June 30, 2024. It is also recommended that the Board authorize the Humboldt County Public Works Director, or a designee thereof, to execute any and all subsequent amendments to, and any other documents directly associated with, the attached agreements with Humboldt Transit Authority, after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid any unnecessary interruptions in the operation of the Southern Humboldt and/or Willow Creek Bus Transit Systems.

#### FINANCIAL IMPACT:

The attached agreement with HTA regarding operation of the Southern Humboldt Bus Transit System has a maximum amount payable of \$1,826,172.00 for the period of July 1, 2021 through June 30, 2024. Humboldt County Association of Governments

#### ALTERNATIVES TO STAFF RECOMMENDATIONS:
