**PLEASE WRITE A BRIEF STATEMENT DESCRIBING WHY YOU ARE INTERESTED
IN SERVING ON THE PLANNING COMMISSION.**

My wish to serve is driven by the desire to contribute to one of the largest conversion restoration projects the north state has ever tackled. Being a part of cleaning up the disaster left by the Rail Authority & converting it into a trail system that will be enjoyed by untold numbers of people is an honor. The economic, tourism & beautification values added to the communities within the 300-mile trail will be immense. I want to help ensure that Humboldt County & the entirety of the Eel River Valley are strongly represented. I understand both the importance of standing for the values & beliefs of our communities, & the importance of listening, learning, respecting & working with our regional Tribal Communities to address their concerns surrounding sacred lands & irreplaceable artifacts.
