STRATEGIC PLAN:

This action supports the following areas of your Board's Strategic Plan.

Area of Focus: Core Services/Other

Strategic Plan Category: 9999 - Core Services/Other

DISCUSSION:

Federal Older Americans Act programs are operated by local Area Agencies on Aging to provide vital services for older adults related to nutrition, health and wellness, caregiver support and more. The Older Americans Act requires states to designate responsibility for developing, implementing and administering an Area Plan to a local government or non-profit agency. The California Department of Aging has designated Area 1 Agency on Aging for this responsibility in Humboldt and Del Norte Counties. Section 7318 of Title 22 of the California Code of Regulations requires the state-designated Area Agency on Aging to secure a minimum of

25% in local match funding for administration of the Area Plan.

The Supporting Older Americans Act of 2020 provides local governments with the right of first refusal to operate the Area Agency on Aging within their jurisdiction. However, this option is not recommended as the cost of developing the Area Plan and providing the services mandated by the Older Americans Act would exceed the funding made available to the County of Humboldt for such purposes. Area 1 Agency on Aging provides efficient and effective administration of the Area Plan and associated services.

Approval of the attached professional services agreement with Area 1 Agency on Aging will allow for the continued development, implementation and administration of an area plan pertaining to various services provided to older adults residing in Humboldt County in accordance with the Older Americans Act for the period of July 1, 2026, through June 30, 2027. Pursuant to the terms and conditions of the attached professional services agreement, Area 1 Agency on Aging will provide contract monitoring for congregation and home-delivered meals and legal assistance programs, collect data from relevant service providers and report to the California Department of Aging and monitor, evaluate and comment on policies, programs and community actions that will affect the older citizens of Humboldt County.

Accordingly, the DHHS - Social Services recommends that the Board approve, and authorize the Chair of the Board to execute, the attached professional services agreement with Area 1 Agency on Aging regarding the provision of administrative support services related to the development, implementation and administration of an area plan pertaining to services provided to older adults residing in Humboldt County for the period of July 1, 2026 through June 30, 2027. Staff also recommends the Board authorize the DHHS - Social Services Director, or a designee thereof, to execute any and all subsequent amendments to the attached professional services agreement with Area 1 Agency on Aging, after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid any unnecessary delays in the development, implementation or administration of the above-referenced Area Plan.
