DISCUSSION:

In June 2025, the DHHS - Public Health, Substance Use Prevention (SUP) staff began working with The Clinton Foundation (TCF). One of TCF's recent initiatives has been in overdose prevention with a focus on naloxone distribution and education.

DHHS - Public Health SUP became involved with TCF when the Department of Health Care Services (DHCS) recommended the County of Humboldt as TCF's first rural California county to partner with because of DHHS - Public Health SUP's leadership in rural overdose prevention work. The project that DHHS - Public Health SUP is assisting with is specifically aimed at engaging faith leaders in overdose prevention work through meetings and trainings from June 2025 through June 2026. The Christ Episcopal Church has been one of the participants in this project and invited SUP staff to present at their church on May 3rd, 2026.

In recognition of DHHS - Public Health SUP's work at that event, the team lead, Katie Jo Slaughter, was offered an honorarium of \$250 which will be used to supplement DHHS - Public Health SUP's ongoing work in substance use prevention in the County of Humboldt. The honorarium is brought to you today for a decision on whether to accept or reject the gifts, consistent with Government Code section 25355 and the Board's Policy on Accepting Gifts and Donations.
