Subject: 2026 Week Without Driving & Transit Month
Date: Wednesday, July 08, 2026 11:34:32 AM

Caution: This email was sent from an EXTERNAL source. Please take care when clicking links or opening attachments.

Planning Commissioners,

CRTP and Tri-County Independent Living are sponsoring the fourth national Week Without Driving here in Humboldt, from October 1st through October 8th, 2026. As local leaders whose decisions often affect the transportation system, we would love for you to participate. You can participate for as much of the week as you can. If that's one day, great! If it's the whole week, even better!

[Click here for more information and to sign up to participate.](#)

Immediately preceding the Week Without Driving this year, we'll also be celebrating September as Transit Month in California. We'll be hosting events and promoting the importance of transit throughout the month.

We are arranging transit ride-alongs for local leaders throughout Transit Month and the Week Without Driving. **If you'd like to join a local transit rider to experience their bus commute and hear what it's like to ride transit in our area, please let me know by replying to this email.**

Over the last three years, more than 100 people have participated in the Week Without Driving in Humboldt, including many elected officials, public agency staff, appointed officials and business leaders. You can read some of their reflections from [2023](#), [2024](#), and [2025](#) on our website.

The Week Without Driving isn't just about experiencing what life is like for the 36,000+ Humboldt residents who don't drive. It's also an opportunity to start conversations and spark change in our transportation habits and policies.

[Click here to sign up to participate.](#)

Thanks for considering taking part in this important annual event. I encourage you to also share this opportunity with any colleagues or coworkers you think might also like to participate. And don't hesitate to reach out with any questions.

Thanks,
Colin
