**PLEASE WRITE A BRIEF STATEMENT DESCRIBING WHY YOU ARE INTERESTED
IN SERVING ON THE PLANNING COMMISSION.**

I'm working less hours for my business, and want to utilize the extra free time by increasing my civic engagement. I'm also a big advocate for more pedestrian access, and personally enjoy cycling and backpacking.

I can't wait for the GRTA to come to our community, but I know an undertaking of this size and complexity is going to have many challenges and potential delays. I have good problem solving skills, and would appreciate a chance to serve in a role that could help keep this project moving forward.

Personal Info

I'm an active user of local trails, including cycling on the Humboldt Bay trail segments. Additionally, for over 30 years, I've enjoyed backpacking in the Trinity Alps, Marble Mountains, and Pacific Crest Trail.

I have a daughter at Fortuna High that will likely leave the area for college. I hope that local amenities like the Great Redwood Trail will encourage her to return to Humboldt County after her studies.

I own property adjoining the trail route, and share concerns that are likely common with other landowners. My perspective may be helpful in balancing those concerns with the benefits for the wider community.
