

ATTACHMENT 1A
CONDITIONS OF APPROVAL
PLN-2026-19554

Approval of the Special Permits are conditioned upon the following terms and requirements which must be fulfilled as specified below:

1. Prior to removal the applicant shall post the completed Record of Action of the approved Special Permit conspicuously upon the property, in such a manner as to allow reasonable inspection by the public, for a period of not less than ten calendar days. The applicant shall provide photographic evidence of such posting to the Planning and Building Department.
2. The tree may not be removed unless evidence has been presented that there are no active bird nests within the tree. Within 7 days prior to removal of the tree a nesting bird survey shall be conducted and submitted to the Planning and Building Department.
3. The applicant shall comply with all terms of the Public Works encroachment permit for the tree removal and traffic control.
4. Cutting and/or removal activities shall be limited to the hours between 8:00 AM to 5:00 PM, Monday through Friday.

Informational Notes:

1. The applicant is responsible for receiving all necessary permits and/or approvals from other state and local agencies.
2. This permit shall expire and become null and void at the expiration of one (1) year after all appeal periods have lapsed (see "Effective Date"); except where construction under a valid building permit or use in reliance on the permit has commenced prior to such anniversary date. The periods within which construction or use must be commenced may be extended as provided by Section 312-10.5 of the Humboldt County Code.
3. The applicant is required to pay for permit processing on a time and material basis as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors. The Department will provide a bill to the applicant after the decision. Any and all outstanding Planning fees to cover the processing of the application to decision by the Hearing Officer shall be paid to the Humboldt County Planning Division, 3015 "H" Street, Eureka.

4. If cultural resources are encountered during construction activities, the contractor on site shall cease all work in the immediate area and within a 50-foot buffer of the discovery location. A qualified archaeologist as well as the appropriate Tribal Historic Preservation Officer(s) are to be contacted to evaluate the discovery and, in consultation with the applicant and lead agency, develop a treatment plan in any instance where significant impacts cannot be avoided.

The Native American Heritage Commission (NAHC) can provide information regarding the appropriate Tribal point(s) of contact for a specific area; the NAHC can be reached at 916-653-4082. Prehistoric materials may include obsidian or chert flakes, tools, locally darkened midden soils, ground stone artifacts, shellfish or faunal remains, and human burials. If human remains are found, California Health and Safety Code 7050.5 requires that the County Coroner be contacted immediately at 707-445-7242. If the Coroner determines the remains to be Native American, the NAHC will then be contacted by the Coroner to determine appropriate treatment of the remains pursuant to PRC 5097.98. Violators shall be prosecuted in accordance with PRC Section 5097.99

The applicant is ultimately responsible for ensuring compliance with this condition.
