**PLEASE WRITE A BRIEF STATEMENT DESCRIBING WHY YOU ARE INTERESTED
IN SERVING ON THE PLANNING COMMISSION.**

Hello, I am interested in this board position because I would like to use my knowledge, education and experience to help improve outdoor recreation opportunities and resource conservation in Humboldt County and beyond. I have a degree from HSU in Recreation Administration and Natural Resources Planning. I worked on the Klamath River Hydroelectric Dam project after graduation and also served with AmeriCorps as a Service Coordinator assisting with the access improvements at Mad River Bluffs in McKinleyville, improving trails, planning the stairway to the Mad River and creating the first park bench and info kiosk there, which are still in use today. I have experience collaborating with students and resource professionals and feel that I could help to maximize the potential of

Management of outdoor recreation specialty shop, outfitting people for a range of activities from backpacking, hiking and kayaking to rock climbing and mountaineering. Responsible for staffing and managing a retail sales team of outdoor enthusiasts to maintain first quality customer service. Maintains the flow of daily operations, allocating projects, coordinating department coverage, maintaining stock and merchandising products. Responsibilities include conducting interviews, training staff, supporting functions of an online mail-order system and conducting performance reviews. Use of standard office tools and Microsoft Office suite of programs.

Warranty Administrator

Yakima Products, Inc.

8/03 to 4/07

15025 SW Koll Parkway

40+ hrs/wk

Beaverton, OR 97006 (originally located in Arcata, CA)

Cherie Appleby-Lannan, Supervisor

Started as Customer Service Representative for this manufacturer of *Yakima* racks, *Dagger* and *Perception* kayaks and *Harmony* paddling accessories, assisting customers with sales and technical aspects of products while directing a multi-line phone system and navigating Windows-based office tools. Relocated with company to Portland, OR in 2005. Assisted with the transition of the Customer Service Department and training of new staff. Represented *Yakima* at national trade shows. Promoted to Warranty Administrator at 3-years, developing warranty policies and procedures, product instructions, and overseeing all warranty claims and product evaluations. Coordinated with Product Managers and Engineers to enhance quality of products and services. Maintained the digital Technical Manual, housing specs of a 30-yr product history.

Service Learning Coordinator

AmeriCorps partnered with the California Conservation Corps & the McKinleyville Land Trust

1660 Central Avenue, McKinleyville, CA 95519

9/2002 - 9/2003

Cindy Porter, AmeriCorps, Supervisor

40 hrs/wk

Jeff Dunk, McKinleyville Land Trust, Mentor

Coordinated service projects for students and community members on a 77-acre land trust preserve at Mad River Bluffs in McKinleyville, CA. Collaborated with HSU and Arcata & McKinleyville High

Schools to construct an informational kiosk and park benches, improve access trails, remove invasive-exotic plant species and to plant native trees. Collaborated with California State Parks, the Humboldt County Planning Department and the Coastal Conservancy on planning and constructing a coastal access stairway to the Mad River waterfront. Collaborated with Recreation Planning class at Humboldt State University on a term project consisting of groups focused in areas of land management, outdoor education, ecotourism, and field research. Use of the Microsoft Office suite of programs and hand tools in the field.

Recreation Researcher

EDAW Inc.- Environmental Planning (now AECOM)

815 Western Avenue Suite #300, Seattle, WA 98104

Sergio Capozzi, Recreation Planner (206) 267-2715, (206) 438-2700

5/02-9/02

40 hrs/wk

\$11.00/hr

Conducted recreation research on the reservoirs of the Upper Klamath River hydroelectric project as a component of Pacific Power's FERC re-licensing requirement. Covered 36-recreation sites along a 50-mile study area of the Klamath River between Hornbrook, CA and Klamath Falls, OR. Calculated recreation usage and surveyed user groups regarding management of sites and perceived needs. Reported on recreation usage data via spreadsheets and weekly field reports. Developed recreation planning suggestions to match identified needs with adequate facilities.
