

## Evacuation Instructions:

- Bring a flashlight, water bottle and suitable clothes & shoes.
- Exit through the front door and turn right on the sidewalk.
- Walk to the end of the block (about 100 yards) and turn right.
- Walk to the end of the block (about 100 yards). The evacuation site is the dune behind the apartment complex, about another 100 yards, 300 yards total from the rental house.
