CALFRESH OUTREACH PROPOSAL
[Name of Contractor]
For Fiscal Year 2026-2027

CalFresh Outreach Partnership Proposal Guidelines
For Fiscal Year 2026-2027

Federal and State funding for CalFresh Outreach has created an opportunity for community-based organizations and the Humboldt County Department of Health and Human Services ("DHHS") to partner in improving the health and economic stability of families and individuals in Humboldt County.

The objectives of the CalFresh Outreach program for 2026-2027 are to:

- Support enrollment and retention. Provide direct application enrollment and retention assistance, utilizing BenefitsCal.com when applicable.
- Reach populations with low CalFresh participation rates (such as working families, SSI/SSP recipients, seniors, students, persons in recovery, people who live remotely with low access to phones or internet and persons with limited literacy or ability to speak/read English).
- Educate community members about CalFresh and program changes.
- Reduce barriers to enrollment, including stigma, fear, language/literacy, internet or phone access and others. This could be by linking CalFresh to healthy nutritious food and providing CalFresh-related nutrition information and guidance, including how to shop for and cook nutritious food on a budget.

Interested? Read the contractor guidelines below. Complete and return the CalFresh Outreach Partnership Request Form and attachments. Send them to CalFreshOutreach@co.humboldt.ca.us.

Questions can be directed to the DHHS CalFresh Outreach Analyst at 707-476-4760 or CalFreshOutreach@co.humboldt.ca.us.

Partnership requests received before March 31st will be considered. Partnership requests not received by the deadline of March 31st may be resubmitted for the next fiscal year.

CalFresh Outreach Partnership Contractor Guidelines For Fiscal Year 2026-2027

To receive funding for CalFresh Outreach activities, the contractor must agree to collaborate with the Department of Health and Human Services in the following ways:

- Provide a contact liaison to coordinate with the CalFresh program.
- Attend CalFresh Outreach training, keeping staff up to date on the CalFresh program.
- Utilize BenefitsCal.com CBO account when applicable for tracking activities.
- Submit all CalFresh related media to DHHS Media before publication (including social media posts, advertisements, newsletters, press releases, brochures, *etc.*). CalFresh funds cannot be used for TV, radio, or billboard advertising.
- Report on all activities conducted with CalFresh funding, including the number of individuals reached and/or served by completing Quarterly Reports.
- Submit invoices to DHHS Fiscal and Outreach Analyst and retain financial records for five years.
- Provide proof of insurance coverage listing the County as an additional insured (see below).
- Demonstrate that the organization can provide local contribution of up to 22.5% of total agreement. These funds cannot be from other Federal, State, or other DHHS funding sources.
- Contract with DHHS and commit to implementing the funded activities outlined in the organization's Partnership Request proposal.

Here are the steps to a successful CalFresh Outreach contract with DHHS:

	Process	Timing
Step 1	Organization submits a Partnership Request Form, project description, Outreach Estimates Form, and Partnership Request Budget Form to DHHS.	January 1st to March 31st
Step 2	DHHS reviews all requests. Organizations may be contacted with questions or suggested revisions. A meeting or site visit may be requested.	Two to four weeks
Step 3	Once approved contracts are developed and emailed to partner organizations. The organization prints a copy for signatures or requests a paper copy via mail.	Two to three weeks
Step 4	The contract is signed by the partner and returned to DHHS with proof of insurance (see insurance guidelines below).	Varies
Step 5	DHHS signs the contract and returns one copy of the signed contract to the partner.	One to two weeks

All CalFresh Outreach partners will be required to submit proof of insurance coverage to complete a contract with the County. All insurance requirements are clarified in the contract that will be mailed to

successful applicants. Applicant organizations must show proof of and maintain the following insurance, with the County certificated as an additionally insured:

- General Liability: \$2,000,000 per occurrence, if a general aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit (\$4,000,000)
- Automobile/Motor: \$1,000,000 combined single limit, any auto (If applicable)
- Workers Compensation and Employers Liability: \$1,000,000 per accident. This is required even for all-volunteer organizations.

Proposals may include insurance costs directly related to the proposed partnership project.

Most contracts will be paid on a reimbursement basis.

Frequently Asked Questions

What is a special population?

A special population is an identified sector of the population that has low enrollment in the CalFresh program. This could be community members who live rurally, students, persons aged over 65, English as Second Language customers or any number of other groups that have barriers to program access.

How can our agency aid in retention assistance, when we usually put on nutrition demonstrations promoting CalFresh as a program to help buy healthy foods?

You could take your presentation skills and do a special day on how to complete CalFresh paperwork! Our CalFresh Outreach analyst can be contacted to set up a training with your staff on what to do and then your agency can help your community understand our forms.

My agency does not have the ability to provide application and/or retention assistance. We do provide CalFresh brochures to our participants. Can we still get funding for our program?

Everyone is welcome to apply. To ensure ongoing funding achieves desired goals and continues to be available, priority will be given to agencies able to complete the identified focus. We provide outreach materials like flyers to any agency, even if they are not contracted to provide services.

If I assist someone in applying for CalFresh and give them educational materials about the program, can I count them in multiple categories on reports?

Yes. They could count in the materials distributed category for the materials handed out and the application assisted category as well. They would not be able to be counted in Applications Assisted and Applications Provided. The important thing to remember is that everyone tracks their numbers differently and may have different ideas about what counts in one area versus another when completing reports. Explain how you do it in the narrative and you will have ensured you properly reported.

Do I have to use BenefitsCal.com to assist customers, and how does that work?

It is highly recommended you utilize BenefitsCal.com, as this is the preferred way to track applications assisted. The data is easily pulled by contractor and sent with quarterly reports to be accurately tracked. Utilizing technology also ensures applications/reports/documents are received by our office quickly and efficiently. Your agency determines who will have a CBO Manager account, who will then set the team up with Assistor Accounts for individual use. Creating the account is easy, with videos and tutorials available on BenefitsCal.com.

Can I use this funding to buy food for my program?

Consumables are part of the potential items that can be included in your budget but should not be the focus. This is not a grant, and the funds are paid through a reimbursement process for services contracted in a legally binding agreement between your agency and DHHS. Food purchases included in the contract budget and approved by DHHS are billable. The food cannot be used for staff, only customers being assisted with services.

CalFresh Outreach funds are special funding for outreach separate from other CalFresh funding, right?

CalFresh outreach funding is from the same fund as CalFresh administration. This Fund pays for the staff that administers these benefits and the outreach contracts. These funds are not unlimited and the ability to administer the CalFresh program is the highest priority for use of funds. CalFresh Outreach funds are the secondary priority of this funding. It is a priority of our agency to ensure we continue to contract for outreach and provide these funds to our partners. The outreach services partner agencies perform are important in reducing food insecurity in our community.

The 22.5% local contribution is new, what does that mean for me?

Funding for CalFresh Outreach is State, Federal, and County funded. To offset budget reduction needs, partners pursuing a CalFresh Outreach contract will need to contribute 22.5% of their budget total from another source. This cannot be from Federal, State or DHHS funds if other contracts exist with DHHS. The invoices will be reimbursed at 77.5% of the invoiced amount. The other 22.5% will be provided by the Contractor.

My staff does some CalFresh activities, can I have their pay included on my contract budget?

The personnel cost that is included in the budget for this agreement is only for the portion of work that is directly tied to CalFresh outreach activities contracted by DHHS to be completed by your agency. Example: Let's say a staff member's primary duty is to assist customers in finding housing. During a 40-hour work week they spend an hour every day reviewing CalFresh with customers and helping them access or keep their benefits with DHHS. This would mean that 5 hours of work in the 40-hour work week could be covered by this contract. Clearly explaining the FTE for a position and backing up the amount you are requesting with information about the quantity of time spent on CalFresh outreach activities versus regular duties will help to ensure it can be included in the contract.

Frequently Asked Questions

What is a special population?

A special population is an identified sector of the population that has low enrollment in the CalFresh program. This could be people who live rurally, students, persons aged over 65, ESL customers or any number of other groups that have barriers to program access.

How do I make sure I am not duplicating counts?

Many times people will receive multiple handouts from your agency, or you will assist multiple people in a household. Here is an example: if you provided an application to a family of five, this would be entered as “1” for applications provided not as “5” for each person in the home. This is because you provided one application to the household. If you explain how you count in the narrative section, you will be making sure your data is clear and will not need to worry about duplicating counts in error.

If I assist someone in applying for CalFresh and give them educational materials, can I count them in multiple categories on reports?

Yes. They could count in the materials distributed category and the application assisted category. They would not be able to be counted in Applications Assisted and Applications Provided. The important thing to remember is that everyone tracks their numbers differently and may have different ideas about what counts in one area versus another when completing reports. Explain how your agency does it in the narrative and you will have ensured you properly reported.

Where do I put how many meals or food bags were distributed?

This section has been removed from our report tracking to align with the current focus for these agreements. You can include information about food distribution performed by your agency in the narrative for Section B. Positive Messaging if applicable.

My agency is reusing print media developed previously that DHHS Media already approved. Does DHHS Media need to review it again?

Please send it through again. Anything that will be distributed with CalFresh messaging needs to go through DHHS Media for approval. If it was approved in the past there might be something that needs to be updated. CalFresh recently rebranded and it is important that we use current logos and information.

Do we need to include pictures or other documentation of our program?

If you used BenefitsCal.com we request you submit the quarterly summaries of applications assisted. This report can be pulled from the Managers Dashboard. It is not required that you provide other additional items regarding your program. You can provide them if you would like to. Items like surveys or program pictures can be included if you wish. If you are looking to include something like program or event surveys, please summarize the information in them instead of submitting participant originals.

My report might be late due to circumstances outside my control. What do I do?

Please email CalFreshOutreach@co.humboldt.ca.us with the reason for the delay and the expected date the report will be submitted. This allows for a record of why the delay occurred if it is ever questioned.
