RE: Board Vacancy Appointment

This letter shall serve as official notice that after a "Closed Session" of the Fortuna Fire Protection District Board of Commissioners on August 14, 2023 it is their unanimous recommendation that Dave Jackson be appointed to fill the vacancy left upon the resignation of Glen Senestraro.

The Board believes that Mr. Jackson will be of immense value to the district and the community in which they serve. The Board is asking that the Humboldt County Board of Supervisors at their regular scheduled meeting slated for Tuesday, August 21, 2023 please accept this recommendation and officially appoint Mr. Jackson to that vacancy.

If appointed the Board would like to swear Mr. Jackson in on September 11, 2023 immediately following the call to order of the regular meeting of the board.

Sincerely,

Robert Johnson
Chairman/Fortuna Fire Protection District
