SOURCE OF FUNDING:

DISCUSSION:

The Agricultural Commissioner's office receives annual subventions from CDFA to offset the local cost of enforcing certain state-mandated programs. Cooperative Agreement No. 23-0446-000-SA provides funding for Humboldt County's Nursery Inspection and Enforcement Program for the period of July 1, 2023 to June 30, 2024. The Agriculture Department enforces laws and regulations pertaining to the production and sales of nursery stock, including but not limited to licensing requirements and nursery stock cleanliness standards. The County Nursery Inspection and Enforcement Program is conducted in accordance with the state-county Nursery Inspection Program Memorandum of Understanding between CDFA and the California Agricultural Commissioner's and Sealer's Association. The amount reimbursable under this agreement shall not exceed \$3,348.00 based on 126.98 reimbursable acres as reported by Humboldt County. County inspections are reimbursed on a per acre basis for inspection and enforcement activities at a rate of \$26.36 per acre.

In Humboldt County, there are 42 licensed production nurseries and 38 retail and incidental retailers of nursery products. Humboldt County nurseries produce a wide range of plant products the most important being cut flowers and reforestation conifers.

The waiver from the provisions of the Nuclear Free Ordinance is requested since the State of California will not modify its cooperative agreements to accommodate local ordinances.
