**PLEASE WRITE A BRIEF STATEMENT DESCRIBING WHY YOU ARE INTERESTED
IN SERVING ON THE PLANNING COMMISSION.**

My wife and I have lived in McKinleyville since 1991 and are active hikers and cyclists. Being able to give back to the community with active involvement in the GRT development is great opportunity to be part of the solution.

Currently I am volunteering as a member of the McKinleyville Community Forest Committee and chair the Community Forest Management/Planning/Finance subcommittee.

I find this type of work very satisfying and enjoy working in a team-oriented environment. Likewise, I enjoy learning from others' experience and contributing what I can.

Thank you for your consideration of my interest in an At-Large opening on the GRT Board.
Kevin
