A. General Conditions

1. Adhere to all previously stated Conditions or Approval under PLN-2020-16168 and PLN-10329-ZCC.
2. The applicant is responsible for obtaining all necessary County and State permits and licenses, and for meeting all requirements set forth by other regulatory agencies.
3. A Notice of Determination (NOD) will be prepared and filed with the County Clerk for this project in accordance with the State CEQA Guidelines. **Within three days of the effective date of permit approval**, the Department will file the NOD and will charge this cost to the project.
4. The applicant shall secure permits for all structures related to the microbusiness, cannabis cultivation, and other commercial cannabis activity, including but not limited to, existing and proposed greenhouses, water tanks over 5,000 gallons existing and proposed structures associated with drying and storage or any activity with a nexus to cannabis, and any noise containment structures as necessary. This can include commercial building permits. The plans submitted for building permit approval shall be consistent with the project description and the approved project site plan. A letter or similar communication from the Building Division verifying that all structures related to the cannabis cultivation are permitted will satisfy this condition.
5. All driveways and private road intersections onto State Highway 36 shall be maintained/improved to meet Caltrans standards that may include, but not limited to, standards pertaining to a 55 mile-per-hour east-bound travel, pavement to be extended to 20 feet from the edge of traveled way, perpendicular to SR 36 and taper to a width of 20 feet wide at the driveway throat, etc. Further an encroachment permit may be required to make any such improvements and issued by the Department of Transportation prior to commencement of any work on the State highway system.

6. The approved building plans shall meet all applicable fire codes, including fire suppression infrastructure requirements deemed necessary for the project by the Building Inspection Division. Sign-off on the Occupancy Permit by the Building Division shall satisfy this requirement.
7. The applicant is required to pay for permit processing on a time and material basis as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors. The Planning and Building Department will provide a bill to the applicant after the decision. Any and all outstanding planning fees to cover the processing of the application to decision by the Hearing Officer shall be paid to the Humboldt County Planning Division, 3015 "H" Street, Eureka.
8. Permit holder shall contact North Coast Regional Water Quality Control Board regarding industrial wastewater disposal requirements and implement recommendations based on wastewater discharged into Humboldt County Department of Environmental Health approved onsite wastewater treatment systems.

Ongoing Requirements/Development Restrictions Which Must be Satisfied for the Life of the Project:

1. All components of project shall be developed, operated, and maintained in conformance with the Project Description, the approved Site Plan, the Plan of Operations, and these conditions of approval. Changes shall require modification of this permit except where consistent with Humboldt County Code Section 312-11.1, Minor Deviations to Approved Plot Plan.
2. Cannabis cultivation and other commercial cannabis activity shall be conducted in compliance with all laws and regulations as set forth in the CCLUO and MAUCRSA, as applicable to the permit type.
3. Possession of a current, valid required license, or licenses, issued by any agency of the State of California in accordance with the MAUCRSA, and regulations promulgated thereunder, as soon as such licenses become available.
4. Compliance with all statutes, regulations and requirements of the California State Water Resources Control Board and the Division of Water Rights, at a minimum to include a statement of diversion of surface water from a stream, river, underground stream, or other watercourse required by Water Code Section 5101, or other applicable permit, license, or registration, as applicable.

5. Confinement of the area of cannabis cultivation, processing, manufacture or distribution to the locations depicted on the approved site plan. The commercial cannabis activity shall be set back at least 10 feet from the side property lines and 20 feet from the front and rear property lines, and 600 feet from any School, School Bus Stop, Church or other Place of Religious Worship, or Tribal Cultural Resources, except where a reduction to this setback has been approved pursuant to Section 55.4.6.4.4. The project is located within the Myers Flat Community area and the setbacks from property lines meet those of the underlying zone (FP). The allowance for a setback reduction of 600 feet from a Public Park is approved as part of this project. The adjacent property owned by Redwood State Park is managed for open space and/or wildlife habitat purposes, and no developed or designated recreational facilities are within 600 feet of the cultivation area.
6. Maintain enrollment in Tier 1, 2 or 3, certification with the NCRWQCB Order No. R1-2015-0023, if applicable, or any substantially equivalent rule that may be subsequently adopted by the County of Humboldt or other responsible agency.
7. Consent to an annual on-site compliance inspection, with at least 24 hours prior notice, to be conducted by appropriate County officials during regular business hours (Monday – Friday, 9:00 am – 5:00 pm, excluding holidays).
8. Refrain from the improper storage or use of any fuels, fertilizer, pesticide, fungicide, rodenticide, or herbicide.
9. Pay all applicable application, review for conformance with conditions and annual inspection fees.
10. Leave wildlife unharmed. If any wildlife is encountered during the Authorized Activity, Permittee shall not disturb the wildlife and shall allow wildlife to leave the work site unharmed.
11. All refuse shall be contained in wildlife proof storage containers, at all times, and disposed of at an authorized waste management facility.
12. Any project related noise shall be contained to the extent feasible (e.g. containment of fans, dehumidifiers etc.) and shall be no more than 50 decibels measured from 100ft or to the nearest tree line, whichever is closer.

13. Storage of Fuel – Fuel shall be stored and handled in compliance with applicable state and local laws and regulations, including the County of Humboldt’s CUPA program, and in such a way that no spillage occurs.

15. Pay all applicable taxes as required by the Humboldt County Commercial Marijuana Cultivation Tax Ordinance (Section 719-1 et seq.).

Performance Standards for Cultivation and Processing Operations

16. Pursuant to the MAUCRSA, Health and Safety Code Section 19322(a)(9), an applicant seeking a cultivation license shall “provide a statement declaring the applicant is an ‘agricultural employer,’ as defined in the Alatorre-Zenovich-Dunlap-Berman Agricultural Labor Relations Act of 1975 (Part 3.5 commencing with Section 1140) of Division 2 of the Labor Code), to the extent not prohibited by law.”
17. Cultivators shall comply with all applicable federal, state, and local laws and regulations governing California Agricultural Employers, which may include: federal and state wage and hour laws, CAL/OSHA, OSHA, California Agricultural Labor Relations Act, and the Humboldt County Code (including the Building Code).
18. Cultivators engaged in processing shall comply with the following Processing Practices:
 - 1) Processing operations must be maintained in a clean and sanitary condition including all work surfaces and equipment.
 - 2) Processing operations must implement protocols which prevent processing contamination and mold and mildew growth on cannabis.
 - 3) Employees handling cannabis in processing operations must have access to facemasks and gloves in good operable condition as applicable to their job function.
 - 4) Employees must wash hands sufficiently when handling cannabis or use gloves.
19. All persons hiring employees to engage in commercial cannabis cultivation and processing shall comply with the following Employee Safety Practices:

- 1) Cultivation operations and processing operations must implement safety protocols and provide all employees with adequate safety training relevant to their specific job functions, which may include:
 - Emergency action response planning as necessary;
 - Employee accident reporting and investigation policies;
 - Fire prevention;
 - Hazard communication policies, including maintenance of material safety data sheets (MSDS);
 - Materials handling policies;
 - Job hazard analyses; and
 - Personal protective equipment policies, including respiratory protection.
- 2) Cultivation operations and processing operations must visibly post and maintain an emergency contact list which includes at a minimum:
 - Operation manager contacts;
 - Emergency responder contacts;
 - At all times, employees shall have access to safe drinking water and toilets and handwashing facilities that comply with applicable federal, state, and local laws and regulations. Plumbing facilities and water source must be capable of handling increased usage without adverse consequences to neighboring properties or the environment.
 - On site-housing provided to employees shall comply with all applicable federal, state, and local laws and regulations.

20. Term of Commercial Cannabis Activity Special Permit. Any Commercial Cannabis Cultivation Special Permit issued pursuant to the CCLUO shall expire after one (1) year after date of issuance, and on the anniversary date of such issuance each year thereafter, unless an annual compliance inspection has been conducted and the permittees and the permitted site have been found to comply with all conditions of approval.

If the inspector or other County official determines that the permittees or site do not comply with the conditions of approval, the inspector shall serve the Special Permit or permit holder with a written statement identifying the items not in compliance, and the action that the permit holder may take to cure the non-compliance, or file an appeal within ten (10) days of the date that the written statement is delivered to the permit holder. Personal delivery or mailing the written statement to the mailing address listed on the application by regular mail, plus three

(3) days after date of mailing, shall constitute delivery. The permit holder may request a reinspection to determine whether or not the permit holder has cured all issues of non-compliance. Failure to request reinspection or to cure any items of non-compliance shall terminate the Special Permits, immediately upon the expiration of any appeal period, or final determination of the appeal if an appeal has been timely filed pursuant to Section 55.4.13 of the CCLUO.

21. Permit Renewals to comply with Updated Laws and Regulations. Permit renewal is subject to the laws and regulations effective at the time of renewal, which may be substantially different than the regulations currently in place and may require the submittal of additional information to ensure that new standards are met.
22. Acknowledgements to Remain in Full Force and Effect. Permittee acknowledges that the County reserves the right to reduce the size of the area allowed for cultivation under any clearance or permit issued in accordance with this Section in the event that environmental conditions, such as a sustained drought or low flows in the watershed in which the cultivation area is located will not support diversions for irrigation.

Permittee further acknowledges and declares that:

- 1) All commercial cannabis activity that I, my agents, or employees conduct pursuant to a permit from the County of Humboldt for commercial cultivation, processing, manufacturing, and distribution of cannabis for adult use or medicinal use within the inland area of the County of Humboldt, shall at all times be conducted consistent with the provisions of the approved County permit; and
 - 2) All cannabis or cannabis products under my control, or the control of my agents or employees, and cultivated or manufactured pursuant to local Ordinance and the State of California Medicinal and Adult Use Cannabis Regulation and Safety Act (“MAUCRSA”) (SB 94), will be distributed within the State of California; and
 - 3) All commercial cannabis activity conducted by me, or my agents or employees pursuant to a permit from the County of Humboldt will be conducted in compliance with the State of California MAUCRSA.
23. Transfers. Transfer of any leases or permits approved by this project is subject to the review and approval of the Planning Director for conformance with CCLUO eligibility requirements, and agreement to permit terms and acknowledgments. The

fee for required permit transfer review shall accompany the request. The request shall include the following information:

- 1) Identifying information for the new Owner(s) and management as required in an initial permit application;
- 2) A written acknowledgment by the new Owner in accordance as required for the initial Permit application;
- 3) The specific date on which the transfer is to occur; and
- 4) Acknowledgement of full responsibility for complying with the existing permit; and
- 5) Execution of an Affidavit of Non-diversion of Commercial Cannabis.

24. Inspections. The permit holder and subject property owner are to permit the County or representative(s) or designee(s) to make inspections at any reasonable time deemed necessary to assure that the activities being performed under the authority of this permit are in accordance with the terms and conditions prescribed herein.
